Principal's Report

Dear Parents and Friends,

Term two ended today, and I want to thank everyone involved with the school for making it a successful first semester. Our recent reports highlighted immense growth of individual children and the differing learning experiences we provide at MNPS. I'm proud of what we deliver as a school, with some changes made at the start of this year making obvious positive differences to our school community, such as the specialist classes once more deviating with our timetable and broadening wellbeing approach.

While I take leave at the beginning of term Three, I'm sure you'll make Mr Grinham very supported in keeping engagement high whilst striving for terrific learning in our classrooms. As I have mentioned previously Mr Collins will be Acting Principal at Meeniyana in Term Three.

There will be significant works at the school over the holidays. Please inform your children to stay away from workers if they are on site.

Thank you to Sarah Prime for her hard work on parents club and following up and winning a grant with the Thorpdale Potato Festival. The grant will go to line marking around our school which will begin in the holidays. Thanks again Sarah.

Again, thank you to those of you who have supported teachers and the school already this year. We look forward to a terrific second Semester.

Parent Opinion Survey

Every year primary schools review their progress against their current strategic plans and then set out the priorities for the following three years in a new Strategic Plan. Again, this year we will be seeking feedback through this process in Term 3 with feedback going towards our 2025 Annual Improvement Plan new Strategic Plan. I'll open invitations for as many families as possible to participate in this survey. You will receive notification via email if you are one of these family's early next term.

Reports/Parent and Teacher Interviews

A reminder that student reports for the first semester are live on Compass. We will have parent teacher interviews in week 4 next term on Tuesday the 12th of August.

Term 3 will commence at 8.45am on Monday July the 21st. I hope you all enjoy a safe and enjoyable mid-year break and are lucky enough to escape some of this cooler weather.

Many thanks

Matthew Snell

WINTER IS HERE - SPARE CLOTHES

The winter months are now upon us. Which means we find, more often than not, student accidents in the playground occur more frequently. We ask if possible for students to keep a clean change of clothes in their school bags to use if these accidents happen. These accidents can occur for ALL ages, not just our junior year levels.

We do have a very limited amount of spare clothes available for students to borrow if they do not have spare clothes. However it is imperative that if your child comes home in uniform that is not theirs, to please wash and return these items to school. This will ensure no student is sitting in wet/muddy clothes if parents are unavailable to arrange clean, dry clothes.

We thank you in advance for your support and help with this.

District Girls AFL & Boys Netball

We had a great day at the District Girls AFL and Boys Netball event in Leongatha on Thursday June 19th. The Girls AFL team won 2 games out of 3 and played so well. The Boys Netball team won one game but improved so much throughout the day. Thank you to Ms Vansittart, Ms Clark and Ebony for coaching and Mary for umpiring Netball.

Division Soccer & Netball

Last Thursday 26th June, our Girls netball our mixed soccer team went to Wonthaggi to play at Division level. Girls netball team are off to Regionals! The girls won all their games and move through to the next stage. Great effort by the Soccer team two close games. Big thank you to Mr Collins for coaching the soccer team, Kobes for helping coach Netball and Anita for umpiring the netball. Well done to everyone!

Library News

As Winter thrills us with all sorts of chilly weather our beautiful library is a lovely warm space to visit. Our new Winter Wonderland, complete with sparkling fairy lights and a new cosy reading nook has proved very popular. Big thanks to Nicole and Jacqi for struggling to get those lights up. All grades have been borrowing regularly via their session time and before and after school. Congratulations to all our grade three to six star readers who worked hard to reach their star reading targets for term two. Jacqi keeps an amazing themed poster each term and pops a fun character to each child's photo. This term it was a movie themed character.

Our grade sixes and some fives were very lucky to choose some colourful fabric donated by Alison from Warick fabric Melbourne to have made into borrowing bags to protect their books. The volunteer team from our local art space spent quite a few Wednesdays sewing the bags for the children. Some of the volunteers came up to school last Monday for a thank you and presentation of the bags.

Watch this space as our creative ladies are keen to help us freshen up the old furniture with covers and some fun cushions for the Secondary library space. It's pleasing seeing our Secondary's using the space to chill out on Tuesday lunch times and we want to encourage more Secondaries to continued borrowing. Have a lovely break and enjoy reading on those chilly days. Cheers from Jacqi, Tess, Dani and Kathy Dunsmuir.

Guess who only likes to borrow

SRC NEWS!

Our hardworking SRC representatives have already achieved so much this year, such as revamping our declaration to be in line with our new school values and coordinating Harmony Week activities, just to name a few. Now they have a new project! They are introducing the collection and recycling of 10 cent refundable drink containers to help them raise funds for some improvements around the school, including games and classroom equipment.

A number of drinks in our student's lunch orders are 10 cent refundable so we hope that by collecting what gets consumed in lunch orders, that will not only be recycled appropriately but will also help raise some funds for our school.

Earlier this year the SRC held an out of uniform day to raise funds for some wheelie bins to store the drink containers collected. They raised \$190 and have purchased two bins and some tubs for each classroom and are excited to get this new project underway.

A big thank you to Imogen, Malena and Scarlett who did a presentation at assembly this week to talk about this new project. Well done to our SRC on this new initiative.

July 14 Monday

9 am - 12 pm : The Magic of Science
Delve into a magical world using Science! Perform experiments to create unexpected changes, make objects that seem to defy gravity and watch as your demonstrator creates fire from just 2 powders and a little bit of friction!

1 pm - 4 pm : Who's Got Gas?!
Investigate the magic of gases as we generate some to combust, harness the power of compressed gases and explore the movement of gases with hot and cold currents. A truly gusty experience for all!

July 15 Tuesday

9 am - 12 pm : Plastic Fantastic!
Plastic polymers as you've never seen them! Recycle old plastic bags to create a placemat, bookmark or wallet as well as moulding a figurine out of a low melting point polymer.

1 pm - 4 pm : Food Science
An afternoon snack has never been so fun to prepare! In this session we will be creating an afternoon tea using Science! Make ice-cream or a slushy without a freezer, make your own gummy bears to compare to store bought ones and explore the link between taste and smell. (In this session children will be tasting a variety of foods.)

July 16 Wednesday

9 am - 12 pm : It's Hot and it's Cold!
Ever been fascinated by the differences in the way substances behave when they are hot or cold? In this fluctuating session, children perform a wide range of experiments to investigate the world of temperature. Who remembers the egg in the flask?!

1 pm - 4 pm : Spa Science 3.0
In this brand new session, our budding Scientists will make three products to take home including their own soap, perfume and wheat bag. Children will come home smelling amazing!

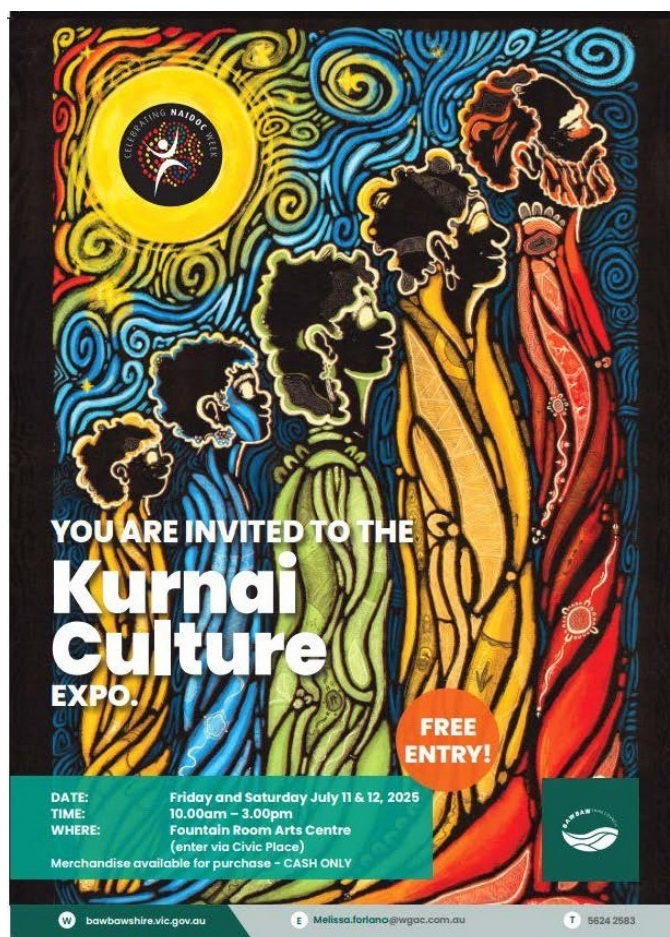

July 17 Thursday

9 am - 12 pm : Winter Wonderland
When you can't go to the snow, scientists make some! In this session, children will make fake snow and build a snowman Only to melt him with Chemistry! Full of icy investigations, your children will have a blast building igloos with Science and making a few crafty creations as well.

1 pm - 4 pm : STEM Zone Regatta
Engineering at it's best as our children design and build their own boats. Once their construction is finished, they then race their boat on our 3m Regatta! This is a session full of creativity, construction and cackling!

Reminder: Children must bring a labelled drink bottle and a snack!
