### Principal's Report

Dear Parents/Carers,

I'm pleased to say it's been a busy and enjoyable start to the year at school. Classes have been settling into their routines and teachers have been setting their expectations collectively with their students so that we maximize student voice.

Our School Captains have begun taking on some responsibilities and from next week will be taking over lunch order deliveries to help the process run smoother across the school. The House Captains have also been busy and are learning how they can earn House Points for their House which will go towards some rewards for each house at the end of the term. Thanks to Miss Sperling for organising this.

With Swimming and Parent Teacher Interviews next week we have found it hard to have parents witness the great achievements of their child/ren already this term. So, with that we are hoping to have an 'Open Morning Assembly' on Monday the 23rd at 8:45am. We will have a Coffee Cart on site from 8:15am for you to grab a coffee or hot chocolate on us.

Then after Assembly we hope for you to stay around and come into our open classrooms to have a look at some learning that your child/ren will have displayed. Whilst a short visit, we hope you can make it and see the wonderful

efforts of our students so far this year.

Of late I have sent out some reminders to parents/carers about hats and school uniform expectations. Please note that a personal branded coloured hat/cap is not endorsed by our school uniform and SunSmart policy and from next week we need students to be wearing a school endorsed navy blue wide brim hat. If you need assistance to purchase a hat such as this, please contact the office when you get a chance.

With the weather of late being so warm we are really looking forward to a great Swimming Carnival. We hope to see some families in attendance on Monday and cheer their child/ren on as they compete in several events across the day. Please note the times for events are hard to predict so we can't accurately say what time each event will run.

Good luck to all of the participants on Monday whether they are competing or in the Lap-a-thon for the first time as a Grade 1/2 student.

Regards,

Anthony Collins  
Acting Principal

# FINANCIAL ASSISTANCE

## INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

## CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
